About Glencore Xstrata

Glencore Xstrata is one of the world's largest global diversified natural resource companies. As a leading integrated producer and marketer of commodities with a well-balanced portfolio of diverse industrial assets, we are strongly positioned to capture value at every stage of the supply chain, from sourcing materials deep underground to delivering products to an international customer base.

The Group's industrial and marketing activities are supported by a global network of more than 90 offices located in over 50 countries. Our diversified operations comprise over 150 mining and metallurgical sites, offshore oil production assets, farms and agricultural facilities. We employ approximately 190,000 people, including contractors.
