Glencore is one of the world’s largest global diversified natural resource companies and a major producer and marketer of more than 90 commodities. Our operations comprise around 150 mining and metallurgical sites, oil production assets and agricultural facilities.

With a strong footprint in both established and emerging regions for natural resources, our industrial and marketing activities are supported by a global network of more than 90 offices located in over 50 countries.

Our customers are industrial consumers, such as those in the automotive, steel, power generation, oil and food processing. We also provide financing, logistics and other services to producers and consumers of commodities. We employ around 155,000 people, including contractors.

Glencore is proud to be a member of the Voluntary Principles on Security and Human Rights and the International Council on Mining and Metals (ICMM). We are an active participant in the Extractive Industries Transparency Initiative (EITI).

Our Values

Safety
Our first priority in the workplace is to protect the health and well-being of all of our people. We take a proactive approach to health and safety; our goal is continuous improvement in the prevention of occupational disease and injuries.

Entrepreneurialism
Our approach fosters the highest level of professionalism, personal ownership and entrepreneurial spirit in all our people while never compromising on their safety and well-being. This is important to our success and the superior returns we aim to achieve for all our stakeholders.

Simplicity
We aim to achieve our key deliverables efficiently as a path to industry-leading returns, while maintaining a clear focus on excellence, quality, sustainability and continuous improvement in everything we do.

Responsibility
We recognise that our activities can have an impact on our society and the environment. We care profoundly about our performance in relation to environmental protection, human rights and health and safety.

Openness
We value open relationships and communication based on integrity, co-operation, transparency and mutual benefit, with our people, our customers, our suppliers, governments and society in general.
